INDIA MOVES ON **EXIDE**

RULE THE ROAD WITH VRLA ADVANTAGE

Introducing Exide Xplore. The only zero-maintenance VRLA motorcycle battery with the X Factor. Built with world-class Calcium Effects Technology, it delivers a power-packed performance and endures tough Indian road conditions. Xplore comes with a 24-month pro-rata warranty that includes a 24-month free replacement warranty.

- The revolutionary Gas Recombination system eliminates water loss making the battery completely maintenance-free.
- The spill-proof design guards against the possibility of leakage, even if mounted in a tilted or inclined position.
- The advanced Lead-Calcium technology leads to low self-discharge.
- Unique Flame Arrestor ensures greater safety.
- The AGM construction gives superior cranking power and better resistance to vibration and hence makes this battery the most reliable in the market today.
- The permanently sealed VRLA battery comes factory-charged. It needs no refilling, electrolyte or water.

7 out of 10 new vehicles choose **EXIDE** What about you?

When you return a used battery to any of our authorised dealers, we contribute on your behalf, to UNICEF's Child Environment Programme. It would not only empower the lives of the underprivileged children who are in dire need of water, sanitation and hygiene in schools, your contribution would help save our environment as well. Lead, a major component in your battery, if not handled responsibly, can harm the environment and our health. Return your used battery and make the world a better place, in more ways than one.
